Dear Parents:

Beginning in April there will be a tuition increase across all levels. With the economy being what it is, I have put this increase off as long as I could. It has been *many* years since we have had any increase, and the current increase will still create prices that are well below other gyms.

The new prices are as follows:

Boys' Team	-	\$140
Girls' Advanced Team	-	\$130
Girls' Team	-	\$120
Pre-Team (boys & girls)	-	\$105
Tiny-tots/Beginners (2 days)	-	\$85
Tiny-tots/Beginners (1 day)	-	\$60
Family Max	-	\$250

If you have any questions, especially about multiple children discounts, please see Melisa or myself. A current table of prices and combinations can be found on our website.

Sincerely,

Wayne Thompson

To calculate for more than 2 children, total their individual tuitions and subtract 10%. If the total is greater than \$250 then your tuition is \$250.
